2010 Annual Beautification Awards

The Laramie Beautification Committee's annual Beautification Awards were presented to recipients during the LEDC Holiday Open House on Monday, November 22, 2010.

To be eligible for an achievement award participants have to be a business, citizen, public or private organization that had completed the beautification project within the past year. Either residential or commercial projects are eligible for participation, provided they improve the visual environment and enhance Laramie's quality of life.

This year, achievement awards were given to recipients in each of the following four categories: Renovation, Landscaping, New Construction and Innovation. **Award winners are:**
